Thomas K. Uzzo, LSRP
President
Whitestone Associates, Inc.

Tom Uzzo will join a panel discussing "Using Professional Judgment as a Site Remediation Tool" at the CIANJ Environmental Business Council's Spring Conference on Friday, April 4, 2014. Four Technical LSRP CEC's are available. [Click here for more details and registration](#)

Featured Project Pavement Management Services

The harsh winter of 2013-2014 has wreaked havoc on paved surfaces. Whitestone's Geotechnical Services Division specializes in evaluating and designing remedial strategies for failed and compromised pavements. [Click here to read more about this featured pavement evaluation project](#)

Pavement Engineering Services

Whitestone Associates, Inc. develops site-specific investigations designed to assess the service life expectancy of heavy-duty and light-duty pavements and provide recommendations for repair, overlay, or replacement.

Geotechnical Services

Design of functional and cost-effective structures requires a thorough understanding of local soil, rock and groundwater conditions. Whitestone provides a wide range of geotechnical services to support all phases of a project, from initial site evaluation through construction.
